### Service Agreement

Welcome to our veterinary clinic. Our entire team is devoted to working with you to help your companion animal to live a happy and healthy life. Our clinic environment provides an easy going and comfortable place for your animal to receive state of the art care.

We offer appointments so that we are able to efficiently serve pets and their owners. In consideration of other clients, we ask that you arrive on time for your appointments. We understand that emergencies arise. However, if you are unable to be here for your scheduled appointment, we ask that you call as far in advance as possible, preferably 24 hours.

If you do fail to arrive for two consecutive appointments without contacting us, you will need to pay a deposit, equal to the cost of an exam, to reschedule. If you continue to fail to arrive for appointments we reserve the right to stop scheduling you for future appointments.

If you arrive more than 7 minutes late for your scheduled appointment, we cannot guarantee that you will be seen.

Fees are to be paid at the time services are performed.

An estimate of charges will be given for services upon request.

People bringing animals to our clinic assume full financial responsibility for all charges incurred for the animal. These charges may exceed a given estimate under certain circumstances.

I understand and agree to the above policies.
